

# Legacy Bricks for Delaney Park Fountain

## A Fountain Fundraiser

The hurricanes of 2004 took away a large oak tree in Delaney Park at the corner of Osceola and Richmond by the entrance to the playground. The Delaney Park Neighborhood Association, in coordination with the City of Orlando Parks Department has constructed a fountain in this location. Much of the cost of the fountain was raised by selling Legacy Bricks that surround the fountain. Although construction is finished, we have room for more bricks and will continue to sell them to pay for any upkeep and maintenance costs. These bricks can be personalized with information about you, your family, or your business. The bricks are available in two sizes:

**Individual:** 3.75" x 8" (standard brick); Cost: \$100.00 1-3 Lines of copy w/ max of 13 characters (includes spacing) per line.

**Family/Corporate:** 8" x 8"; Cost: \$500.00 1-6 lines of copy w/ max of 13 characters (includes spacing) per line. Great for a business, but no phone numbers or slogans please.

To order a Legacy Brick, please fill out the order form below. Return it, with your payment, checks only please, to:  
 DPNA Legacy Bricks, Attn: Joel Garris, 614 Richmond Street Orlando, FL 32806.
